ATTORNEY FOR APPELLANT

ORAL ARGUMENTS REQUESTED

TO THE HONORABLE JUSTICES:

COME NOW Appellants, the City of Kingsville, Texas, Norma Nelda Alvarez, Hector M. Hinojosa, and Lionel "Leo" H. Alarcon ("Appellants"), and file this their Motion to Accelerate Appeal and respectfully request that the Court grant its Motion to Accelerate Appeal and expedite the briefing schedule and disposition of this appeal from the trial court's final order granting a writ of mandamus, and would show unto the Court the following:

**A.**  
**INTRODUCTION**

1. Appellants have appealed the trial court's "Order Granting Petition for Writ of Mandamus," which compels the Appellant members of the Kingsville City Commission to call a special election to determine whether they should be recalled. *See copy of "Order Granting Petition for Writ of Mandamus" attached hereto as Exhibit A.* Appellants seek an accelerated appeal because the trial has ordered that the Appellant City Commissioners set a date for the special recall election and said Commissioners, pursuant to the Court's "Order Granting Petition for Writ of Mandamus," have set the special recall election for May 2, 2025. The trial court's order creates significant uncertainty for the City, the named Commissioners, and the voters of Kingsville, Texas, especially in light of the fact that it is irrefutable that the recall petition that was the basis for the trial court's order was fatally flawed in that, under the strict requirements of Kingsville City Charter, it was not timely filed by Appellee. Additionally, expedited resolution is necessary to clarify the legal rights and duties of the parties *before* an election is held, thereby preventing potential irreparable harm to the Appellants and the citizens of the City of Kingsville, and the needless expenditure of public funds in conducting a special recall election.

**B.**  
**FACTS**

2. On May 6, 2025, Appellee Selina Tijerina filed the required affidavit with the City Secretary of the City of Kingsville requesting that the City of Kingsville hold a special recall election calling for the recall of the three Appellant City Commissioners. The affidavit and filed by Appellee, as well as the recall petition submitted by her, only provided the following general grounds for removal of Defendant City Commissioners:

- a) Unprofessional conduct/behavior of a City Commissioner
- b) Neglect of fiscal responsibilities
- c) Targeting personnel
- d) Neglect of City Government policies and procedures

***See, copy of recall petition attached hereto as Exhibit B.***

3. The recall petition was submitted to the City of Kingsville City Secretary on June 6, 2025, ***thirty-one (31) days*** after the date that the Affidavit was filed.

4. Section 24,(6) of the Kingsville City Charter provides: “All papers comprising a recall petition ***shall*** be returned and filed with the person performing the duties of City Secretary ***within thirty (30) days after the filing of the affidavit hereinbefore provided for.*** (emphasis added). ***A copy of the City of Kingsville City Charter is attached hereto as Exhibit C.*** Thus, Appellee Selina Tijerina filed the recall petition one day late.

5. Furthermore, Section 24(c) of the Kingsville City Charter provides: “The recall petition . . . ***must distinctly and specifically state the ground(s) upon which such petition for removal is predicated,*** and if there be more than one ground, such as for incompetency,

noncompliance with this Charter, misconduct or malfeasance in office, ***shall specifically state each ground with such certainty as to give the officers ought to be removed, notice of such matters and things with which he or she is charged.*** The recall petition submitted by Appellee Tijerina utterly fails to provide Appellant Commissioners with distinct and specific notice of the grounds for which their proposed removal was predicated.

6. Because Appellee Tijerina's petition was fatally flawed and invalid, Appellants refused to resign from the positions that they were duly elected to, and likewise refused to call a recall election.

7. On August 13, 2025, Appellee Tijerina filed a Petition for Writ of Mandamus in the 105th Judicial District Court of Kleberg County, Texas. By this Petition for Mandamus, Appellee sought to compel the City of Kingsville and Commissioners Alvarez, Hinojosa, and Alarcon to order a recall election based on the flawed recall petition Appellee had submitted. ***See, copy of Petition for Writ of Mandamus attached hereto as Exhibit D.***

8. On October 14, 2025, the 105th District Court heard Appellee's application for a Writ of Mandamus. Appellants contested the mandamus, arguing that the recall petition was fatally flawed because it failed to comply with the mandatory requirements of the City of Kingsville Charter. Specifically, the petition was filed one day late and failed to state the grounds for removal with the required specificity. After hearing the evidence offered by the Parties, including the testimony of City Secretary Mary Valenzuela who testified that the Appellee's affidavit was filed on May 6, 2025, and her recall petition was filed on June 6, 2025, the Court found for Appellee and ordered the Appellants to call a special recall election.

9. On October 29, 2025, the trial court signed its "Order Granting Petition for Writ of Mandamus," compelling Appellants to "forthwith order and fix a date for the recall election... within 10 (ten) days from the signing of this Order." Appellants have timely filed their Notice of Appeal from this order. *See, copy of "Order Granting Petition for Writ of Mandamus", attached hereto as Exhibit A.*

10. On November 10, 2025, pursuant to the "Order Granting Petition for Writ of Mandamus," the City Commission for the City of Kingsville passed Ordinance No. 2025-67, which called for a special recall election for May 2, 2026. *A copy of said Ordinance is attached hereto as Exhibit E.*

### **C. ARGUMENT**

11. This appeal warrants acceleration for two primary reasons: (1) Texas law recognizes the urgency of resolving election-related disputes, especially given the strict requirements under the Texas Elections Code for conducting elections, and (2) the significant public interest in governmental certainty requires an expedited decision.

**a) The Texas Election Code and case law favor expedited review of election matters.**

12. While the Texas Rules of Appellate Procedure do not explicitly list an appeal from a mandamus order in an election case as an accelerated appeal under Rule 28.1, the Texas Election Code and related jurisprudence make clear that such matters demand swift judicial resolution. The Texas Election Code grants appellate courts original jurisdiction to issue writs of mandamus to compel the performance of election-related duties. *See, Tex. Elec. Code § 273.061.* This

grant of original jurisdiction shows Legislature's intent that appellate courts should resolve election disputes with urgency, bypassing the ordinary trial and appeal timeline when necessary.

13. The same urgency is present in the case. An appeal that will determine whether a municipal recall election must proceed is, by its nature, time-sensitive. If appellant is required to follow the normal timelines required for an appeal, the election could occur before this Court has an opportunity to rule on the significant legal defects in the underlying recall petition raised by Appellants. This would render the appeal moot and potentially disenfranchise voters or improperly remove duly elected officials from office based on a legally insufficient petition. Courts have recognized the need for expediency in election cases to avoid such consequences.

*See, e.g., In re Woodfill, 470 S.W.3d 473, 478 (Tex. 2015) (orig. proceeding) (noting the necessity of prompt resolution in an election-related mandamus action).*

**b) The Public Interest Requires an Expedited Resolution.**

14. In granting Appellee's Writ of Mandamus, the trial court ignored the clear, irrefutable evidence establishing with certainty that Appellee's recall petition was filed too late and did not meet the strict requirements of the Kingsville City Charter. In issuing its ruling granting the writ of mandamus, the trial court also refused to recognize the clear *mandates* in the Kingsville City Charter:

1). "All papers comprising a recall petition *shall be returned and filed* with the person performing the duties of City Secretary *within thirty (30) days after the filing of the affidavit hereinbefore provided for.*" (emphasis added)

2) "The recall petition mentioned above . . . *must distinctly and specifically* state the ground(s) upon which such petition for removal is predicated, and if there be more than one

ground, such as for incompetency, noncompliance with this Charter, misconduct or malfeasance in office, *shall specifically state each ground with such certainty as to give the officer sought to be removed, notice of such matters and things with which he or she is charged.*” (emphasis added)

3) “*In case all of the requirements of this Charter shall have been met* and the City Commission shall fail or refuse to receive the recall petition, or to order such recall election, or to discharge any other duties imposed upon said City Commission by the provisions of this Charter with reference to such recall, then the District Judge of Kleberg County, Texas, or other judge of competent jurisdiction shall discharge any such duties herein provided to be discharged by the person performing the duties of City Secretary or by the City Commission.” (emphasis added)

*See, City of Kingsville City Charter, attached hereto as Exhibit C.*

15. The trial court’s order requiring the Appellants to call for a recall election despite the fatal legal flaws in Appellee’s recall petition injects profound uncertainty into the governance of the City of Kingsville. It leaves the City, its officials, and its citizens in limbo regarding the legitimacy of the recall effort and the status of three elected Commissioners. Allowing this uncertainty to persist through a standard appeal would disrupt the orderly administration of Kingsville city government.

16. Conducting elections take enormous amount of time and effort. They also cost money which comes from the taxpayers of the City of Kingsville. They require city officials to meet the specific requirements of the Texas Elections Code in terms of a) preparing a ballot; b) identifying election day and early vote locations; c) hiring and training election officials; d)

providing military personal stationed overseas the opportunity to timely cast their ballot; e) obtaining clearance from the Texas Secretary of State on all the procedures to be utilized for the conducting of the special recall election; and f) a myriad other items which must be addressed to comply with the strict requirements of the Texas Elections Code. Many of the requirements for the conducting of an election under the Texas Elections Code and the regulations of the Texas Secretary of State are time sensitive. In order to timely address all of the requirements of state law, city election officials need to begin the process of preparing for a May 2, 2025, recall election weeks, and if not months before voting begins. Hence, city officials need to know as expeditiously as possible whether to proceed forward with the preparation for a recall election.

17. Finally, Appellants need to know early on whether they will need to conduct a city wide campaign to refute the vague allegations in the recall petition. An accelerated resolution of this appeal will provide them with the timely notice as to whether they will need to campaign against these unfounded allegations.

#### **D. CONCLUSION**

18. Accelerating this appeal will provide a prompt and definitive resolution to the purely legal questions presented: whether a recall petition that fails to comply with the mandatory timeliness and specificity requirements of a city charter can nonetheless compel a recall election. Resolving these issues quickly serves the public interest by ensuring that elections are conducted strictly in accordance with the law and by providing clarity to the voters and officials of Kingsville.

**E.**  
**PRAYER**

19. For the foregoing reasons, Appellants respectfully pray that this Court grant their Motion to Accelerate Appeal, order an expedited briefing schedule, and advance this case for early submission and disposition.

Respectfully submitted,

GILBERTO HINOJOSA & ASSOCIATES, P.C.

**EXHIBIT D – PETITION FOR WRIT OF  
MANDAMUS**

08/15/25

E-Filed for Record

Jennifer Whittington, District Clerk  
Kleberg County, TX  
By: Amelia Carbajal

NO. 25-377-D

SELINA TIJERINA	§	IN THE DISTRICT COURT
	§	
v.	§	105TH
	§	_____ JUDICIAL DISTRICT
CITY OF KINGSVILLE, TEXAS;	§	
NORMA NELDA ALVAREZ;	§	
HECTOR M. HINOJOSA; and	§	
LIONEL "LEO" H. ALARCON	§	KLEBERG COUNTY, TEXAS

**PETITION FOR WRIT OF MANDAMUS**

**TO THE HONORABLE JUDGE OF SAID COURT:**

NOW COMES Selina Tijerina, Petitioner, filing this *Petition for Writ of Mandamus*, and showing in support of same unto this Honorable Court as follows:

**INTRODUCTION**

This Mandamus proceeding asks this Court to compel Respondent City of Kingsville, Texas ("Kingsville"), to enforce the Charter of the City of Kingsville ("City Charter"). Specifically, Petitioner requests that Kingsville enforce Part 1, Article II, Section 24 ("Recall") of the City Charter, which requires that upon the certification concerning the requirements of a "recall" petition, the City Commission ("Commission") is required -- assuming the commissioners the subject of the petition have not resigned by then -- to receive any certified recall petition and fix a date for the recall election.

**JURISDICTION AND VENUE**

The District Court has original jurisdiction to issue the requested writ of mandamus because Petitioner seeks to mandamus Kingsville to enforce its Charter. Pursuant to Tex. Const. art. V § 8, the District Courts have power to issue writs of habeas corpus, mandamus, injunction and certiorari, and all writs necessary to enforce their jurisdiction.

Pursuant to § 15.036 of the Texas Civil Practice and Remedies Code, this Honorable Court has jurisdiction, and venue is proper in Kleberg County, Texas, as the cause of action, in whole and/or in part, accrued in Kleberg County and because the Charter specifically references same.

Additionally, under Texas Election Code § 161.009, non-discretionary duties regarding election calls—including recall elections—may be enforced via writ of mandamus, as no other adequate remedy exists.

#### **PARTIES AND SERVICE**

Petitioner is an individual resident and qualified voter within the corporate limits of Kingsville, Texas, residing in Kleberg County.

Respondent Kingsville is a political subdivision duly organized under the laws of the State of Texas, and can be served with process upon its Mayor, Sam Fugate, at 400 W. King Ave., Kingsville, Texas 78363.

Respondent Norma Nelda Alvarez (“Alvarez”) is currently a Kingsville Commissioner for Place #2, and can served with process at 1125 West Henrietta, Kingsville, Texas 78363.

Respondent Hector M. Hinojosa (“Hinojosa”) is currently a Kingsville Commissioner for Place #3, and can served with process at 1318 Christy, Kingsville, Texas 78363.

Respondent Lionel (Leo) H. Alarcon (“Alarcon”) is currently a Kingsville Commissioner for Place #4, and can served with process at 223 West Ailsie, Kingsville, Texas 78363.

#### **BACKGROUND FACTS**

On June 6, 2025, the City Secretary for Kingsville received recall petitions seeking the removal of Alvarez, Hinojosa and Alarcon as City of Kingsville Commissioners – all of whom were voted into office in May of 2024. (See Exhibit “1,” Agenda & Packet for “Item 18”

concerning "Special Election for the Recall").

After such receipt, the City Secretary reviewed the signatures for certification and determined that the petitions complied with the City Charter and were signed by at least twenty percent (20%) of the number of qualified voters voting in the most recent city election held May 4, 2024. (*id.*)

On June 23, 2025, the City Secretary informed the Commission and others that she had certified the recall petition and that if Alvarez, Hinojosa and/or Alarcon did not resign within five (5) calendar days after such notice was given, then it would become the duty of the City Commission "to order an election and fix a date for holding such recall election." (*Id.*)

Because Alvarez, Hinojosa and Alarcon did not resign, such issue was placed on the July 14, 2025, agenda as "Item 18." (*Id.*)

On July 14, 2025, the Commission voted – upon a vote of 3-2 (those three votes being lodged Alvarez, Hinojosa and Alarcon) – to reject the recall petition and to refuse to set a recall election. (See <https://www.facebook.com/share/v/14JiR3Mz3Bi/>).

#### **THE CHARTER**

The City of Kingsville Charter provides in pertinent part, as follows concerning the recall of city commissioners:

- (1) **Scope.** Any member of the City Commission, whether elected to office by the qualified voters of the City or appointed by the City Commission to fill a vacancy, shall be subject to recall and removal from the office by the qualified voters of the City.
- (2) **Restrictions on recall.** No recall petition shall be filed against any officer of the City within twelve (12) months after such officer's election or appointment, nor within six (6) months after an election for such officer's recall, nor within twelve (12) months of the

expiration of such officer's term.

...

- (4) **Petition.** Before the question of recall of such officer shall be submitted to the qualified voters of the City, a petition demanding such question to be so submitted shall first be filed with the person performing the duties of the City Secretary; which said petition shall be signed by qualified voters of the City equal in number to at least twenty percent (20%) of the number of qualified voters voting in the most recent city election. Such petition shall contain a general statement of the grounds for which the removal is sought.

...

- (6) **Presentation of petition; election to be called.** All papers comprising a recall petition shall be returned and filed with the person performing the duties of City Secretary within thirty (30) days after the filing of the affidavit hereinbefore provided for. The person performing the duties of City Secretary shall certify said petitions within fifteen (15) days of receipt and present such certified petitions to the City Commission at the next regular City Commission meeting. If the officer whose removal is sought does not resign within five (5) calendar days after such notice is given, then it shall become the duty of the City Commission to order an election and fix a date for holding such recall election, the date of which election shall be in accordance with the Texas Election Code Annotated.
- (7) **Failure of city commission to call an election.** In case all of the requirements of this Charter shall have been met and the City Commission shall fail or refuse to receive the recall petition, or to order such recall election, or to discharge any other duties

imposed upon said City Commission by the provisions of this Charter with reference to such recall, then the District Judge of Kleberg County, Texas, or other judge of competent jurisdiction shall discharge any such duties herein provided to be discharged by the person performing the duties of City Secretary or by the City Commission.

(Exhibit "2," Charter of the City of Kingsville, Part 1, Article II, Section 24 ("Recall") (emphasis added)).

#### **ISSUE AT HAND**

The "Commission's" (based on the questionable vote of the very three the subject of the recall petition) refusal constitutes a failure to perform a ministerial duty mandated by both charter and state law.

A writ of mandamus is proper when (a) the relator has a clear legal right; (b) the respondents owe a clear legal duty; and (c) no adequate alternative remedy exists. This standard is met here.

Under Tex. Election Code and the Kingsville Charter, upon submission of a valid recall petition, the Commission must call a recall election; its refusal is non-discretionary.

"Under Article II, Section 24 of the City Charter, the City Commission's obligation to call a recall election upon certification of a valid petition is ministerial – not discretionary. Its refusal to act shifts authority to this Court (through the district judge).

**WHEREFORE, PREMISES CONSIDERED,** Petitioner prays that the Court grant this *Petition for Writ of Mandamus*, issue a Writ of Mandamus ordering the Commission (or, if necessary, directing the Kleberg County District Judge) to schedule and conduct the recall election in compliance with the Kingsville Charter and Election Code timelines, award relator

the costs of court and reasonable attorney's fees, if authorized by law, and grant any additional relief the Court deems just and proper.
